Department of the Treasury, Division of Pensions, has directed in connection with the "Terminal Leave" at retirement that the manner and the items to be included in the payment of terminal leave are to be stated in a declared policy to assure that the policy is applied consistently to all employee-members of State Retirement Systems.

Employees who retire from service with the Town of Boonton, after 25 years of service with the Town, shall be entitled to receive a retirement contract which will include any provisions for terminal leave.

Terminal leave shall be defined as that time between the date the employee stops reporting to work and the employee's effective date of retirement. Terminal leave involves the using up of accumulated sick leave, vacation leave, and compensatory time prior to the effective date of retirement.

Procedure: An employee who is contemplating retirement shall notify his/her immediate supervisor or Department Head and the Town Administrator no less than three (3) months prior to the date of retirement. At such time, the employee shall be entitled to enter into a retirement contract with the Town which will include the following provisions for terminal leave:

The number of days equal to one third (1/3) of the total number of accumulated time being used to calculate terminal leave. This number shall be subtracted from the employees total accumulated sick and vacation, subtracting first from the accumulated vacation time, then from the accumulated sick leave. For example:

The 30 days of give back will be subtracted from the employee's total accumulated days as follows:

Ninety (90) days will then be subtracted or used from the remaining 195 accumulated sick days, leaving 105 sick days to be paid in accordance with contractual agreements in a lump sum payment. The time of said lump sum payment shall be agreed upon between the employee and the Town.

If employee uses all 225 total accumulated days to calculate his/her terminal leave, the employee must give back 1/3 of 225 or 75 leaving the employee 150 days of terminal leave.
